If your baby requires separate admission due to medical reasons, Medisave claimable limit is \$450 per day

*Up to an additional \$900 for antenatal expenses can be claimed if the patient is eligible to claim under the Medisave Maternity Package.

Original copies of the antenatal care receipts must be submitted to the Patient Service Centre upon admission.

In the event of any request for change of the booked room type after delivery, the higher maternity package type will apply. For example, if patient have stayed in a shared room (2/4 bedded) for the 1st night and moved to a single room on the subsequent night, the higher maternity package will apply or vice-versa.
